 Ride for a Cure - Celebration Event

Register online at:
cancer.k-state.edu/newsevents/rideforcure.html

The purpose of this charity motorcycle ride event is to raise funds that go directly to the students and researchers at Kansas State University to cure cancer in our lifetime.

You can help us reach our goal of \$100,000 by collecting pledges. You will fund research and equipment grants, student awards, educate and train students to be the next generation of scientists and provide information and resources to help people understand and fight cancer.

2. The Challenge: Collect Pledges

This charity motorcycle event provides a unique opportunity to collect pledges in a variety of ways.

Just imagine, if 100 riders participate and do any combination of the following, we could easily reach our \$100,000 goal.

- Ask 50 individuals for a \$20 pledge
- Ask 10 individuals, organizations or businesses for \$100 pledge
- Ask individuals, organizations or businesses to pledge \$1-\$2 for every mile you ride from Aug. 1 – Sept. 17 (goal: 500 miles)

Pledges can be collected in three ways:

- Online through the Johnson Cancer Research Center website: cancer.k-state.edu/newsevents/rideforacure.html
- Completing the Sponsor Pledge form and Sponsors provide a check to the motorcycle rider to turn in to the center. The Sponsor Pledge Form may be downloaded from: cancer.k-state.edu/newsevents/rideforacure.html
- Rider or Sponsors mail a check to the Johnson Cancer Research Center to: Cancer Research Fund
Kansas State University Foundation
PO Box 9200
Shawnee Mission, KS 66201-1800

3. The Celebration Event for the Cure on Saturday, September 17, 2022

Let's celebrate! Riders are invited to celebrate their accomplishments at a special tailgate event. There will be a drawing for two tickets to a K-State football game. T-shirts and patches will be distributed. Individuals and teams will be recognized for the amount of pledges collected, number of miles ridden and number of pledge sponsors. Food will be available.

Help us reach our goal, enjoy the ride and help us find a cure!
